ARTICLE VIII

SABBATICAL LEAVE

- 1. Sabbatical leaves of one-half (1/2) year or one (1) full year may be granted at the discretion of the Board to certificated personnel upon recommendation by the Superintendent for approved scholarly programs whether or not carried on in an academic institution, subject to the following:

- A. No more than one member of the unit shall be absent on sabbatical leave at any one time.
- B. Request for sabbatical leave must be received by the Superintendent no later than December 31 of the year preceding the school year in which sabbatical leave is requested. The Board will notify the member of acceptance or rejection of his/her request by April 1 of the school year in which application was submitted.
- C. The applicant has completed at least three (3) consecutive full years of service in the unit in the Bristol schools. In establishing priorities for consideration of applicants for sabbatical leave, the following procedure will be used:

 - 2. The recommendation(s) of the Superintendent or his designee, based on consideration of the above criteria, shall be submitted to the Board, along with any statement the President of BAPS or his designee wishes to include. The Board retains absolute discretion with regard to the granting or denial of any or all requests for sabbatical leave.

3. Upon retirement or the death of a member of the unit, said member or his estate shall be paid the equivalent of 25 percent (25%) of his accumulated unused sick leave. A day's pay will be computed by applying the following formula:

$$\frac{1}{\text{Days Worked Per Year}} \times \text{Contracted Salary}$$

See attached Salary Schedules

This benefit shall not apply to employees hired on or after July 1, 2017.

4. Workers' Compensation - Whenever a member of the unit is absent from school as a result of an injury caused by an accident or an assault arising out of and in the course of his employment, which is compensable under the Connecticut Workers' Compensation laws, he shall be paid the difference between his full salary and the amount of any Workers' Compensation award, after applicable taxes and deductions, for the period of such absence.

Such period shall not exceed the compensable period for Workers' Compensation or one calendar year, whichever is the shorter period of time, of absence due to a particular injury including recurrence of that injury. No part of such absence shall be charged to his annual or accumulated sick leave. For absences for this reason beyond such period, a member of this unit shall be entitled to use his sick leave allowance. The Board shall support unit member claims under the Workers' Compensation laws in cases of injury on school premises or in any activity sponsored by or specifically approved by the Board or administration.

In contested cases, the member of the unit will receive full pay to the extent of accumulated sick leave pending a final determination of the case, and if he is

eventually determined to be eligible for Workers' Compensation benefits, his sick leave account will be restored accordingly, upon assignment to the Board of any payment for retroactive benefits.

When there is reason to believe that she may have become unable to perform her duties, she shall provide a doctor's certificate indicating her continued fitness for work. Leave shall begin when, in the opinion of her doctor, she is no longer physically able to work. Upon return to work, the administrator will be reinstated to her former position unless the position has been eliminated.
2. Leave under Section 1 shall be with pay, to the extent available through sick leave accumulation, and with all other benefits customarily provided during sick or disability leave.
3. Any administrator who becomes pregnant shall adhere to the notification and reporting procedures in Section 1 for as long as she remains actively employed, whether or not she intends to return to work after her child is born.
4. Nothing in this Article shall be construed to deny any administrator any rights he or she may have under the Family and Medical Leave Act. However, the Board may elect to charge any leave taken under this Article against the administrator's FMLA allowance, as well as his or her statutory and contractual sick leave allowance, to the extent permitted by law.
5. An administrator contemplating child-bearing/child rearing leave shall notify the Superintendent at least one (1) month before commencement as to whether she is applying for child-bearing leave only or both child-bearing and child-rearing leave. Should any federal statute or regulation pertaining to IRC §4980I be mandated to take effect during the term of this Agreement, triggering the imposition of an excise tax with respect to any of the contractually agreed upon insurance plans offered herein, the parties agree to commence mid-term negotiations in accordance with the Teacher Negotiation Act. During such mid-term negotiations, the parties will re-open the "Insurance Program" Article, for the purpose of addressing the impact of the excise tax. No other provision of the contract shall be reopened during such mid-term negotiations.

Disability Insurance:

11. The Board shall provide disability income insurance for the administrative group up to 60% of salary to a maximum of \$7500 per month, said payments to continue to age 65. The disability coverage shall contain a two-year own occupation provision and have a 90 day elimination period. Eligibility for coverage shall be determined by the carrier.

The group rates assume full social security offset.

After the 90 day elimination period the Board shall pay the balance of the person's salary to the extent of accumulated sick days. Any sick days used will be counted as full sick days.

ARTICLE XV

WORK YEAR, VACATION, HOLIDAYS

1. Prior to the adoption by the Board of any calendar for the school year, the proposed calendar shall be submitted to the President of BAPS for comments and suggestions.
2. BAPS members' number of work days per year is two-hundred and sixty (260). The number of days actually worked is computed by subtracting the number of holidays and vacation days from the 260. See the Salary Schedules.
3. BAPS personnel are granted the following holidays: New Year's Day, Martin Luther King Day, Presidents' Day, Good Friday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day, Friday after Thanksgiving, the day before Christmas, and Christmas Day, plus two (2) floating holidays to be scheduled as additional vacation days for each administrator.

If one of the holidays specified above falls within a member's scheduled vacation or if he is required to work one of those days, he shall be entitled to an additional vacation day. The process of scheduling vacations for a given contract year shall be completed by May 1 of the preceding contract year.

4. Vacation time is computed by dividing the number of vacation days listed in the attached Salary Schedules by 12. Holiday time is computed by dividing the

number of holidays, fifteen (15) by 12. Should a BAPS member leave the Bristol Public Schools anytime between July 1 and June 30 an appropriate adjustment to their salary will be made based on the number of vacation days used.

5. Vacation time shall be taken in the year in which it was earned. Notwithstanding the foregoing, with the prior written approval of the Superintendent, administrators may carry over up to five (5) days, which must be used in the carry over year.
6. On days when school is not in session due to inclement weather or a declared emergency, administrators may, at their discretion, choose to work from home as a work day, subject to the approval of the Superintendent. On such days, administrators shall be available by phone or email from 8 a.m. to 4 p.m.

ARTICLE XVI

ADMINISTRATIVE ASSIGNMENTS

1. Any new administrative or supervisory positions requiring an Intermediate Certificate or equivalent thereof, established by the Board of Education shall be a member of the BAPS unit and placed on the appropriate place in the salary schedule pursuant to negotiations with BAPS.
2. The Board shall post written notice of any newly created position requiring intermediate certification, or any vacancy in any existing position for which intermediate certification is required.
 - A. The Board shall accept written applications for at least five (5) work days following the date of such posting. All postings shall include a brief job description, salary, certification requirements and other necessary qualifications.
 - B. If the administrator wishes to be considered for more than one position, then those choices should be listed by school or position in order of preference.
 - C. The Superintendent will notify the interested administrator(s) of the Board's decision within three (3) working days after it is made. No such transfer will be approved if it conflicts with the right of any administrator or former administrator on the reappointment list.
3. In the event the Board of Education decides to change or alter the duties or responsibilities of any position represented by BAPS, it shall notify BAPS at least thirty (30) days prior to the proposed change. The Board and BAPS will

thereupon meet and negotiate the impact of such proposed changes on the terms and conditions of employment of affected positions.

4. In the event any member of the bargaining unit is assigned to an interim or permanent administrative or supervisory position commanding another salary range, such member's beginning salary in the new position will not be less than the salary he held in his former position, unless such member elects to accept a position where the salary range is less than the salary range of the present position occupied by the member. A member who is assigned to an interim administrative position from a previous administrative position, shall be guaranteed assignment to his original administrative position at the termination of the interim assignment. If a member's position is eliminated while he is serving in an interim position, his right to his original position shall be the same as if he had not taken the interim position.

Initial placement at any step of the salary range of any position shall be determined by the Board of Education upon recommendation of the Superintendent. This provision shall apply both to new members of the unit and to other members of the unit who have been transferred to a different position.

5. In the event it becomes necessary to fill an administrative or supervisory position because of the illness of an incumbent or other emergency condition, the person appointed to this vacancy on a temporary basis, if not already a member of this bargaining unit, shall receive a salary equal to the first step of the position being filled and prorated for the number of days worked according to the following daily rate:

$$\frac{1}{260} \quad X \quad \text{Annual Contracted Salary}$$

- A. Personnel involved in an interim assignment shall be paid on a bi-weekly salary rate as established in section 5, above. Payment shall be made only for actual work days during which the individuals serve in said interim assignment.
- B. Personnel not previously in the bargaining unit, involved in an interim assignment, shall be covered by all terms and benefits of the Agreement except the provisions found in Articles VII (Exchange Assignments), VIII (Sabbatical Leave), X (Child-Rearing), XVII (Vacancies and Transfers), and XIX (Reduction in Force). The interim administrator may also elect to participate in the benefits as specified in Article XIII (Insurance Program), provided he/she pays the entire cost thereof. Nothing herein shall be construed to deprive any interim administrator of any rights available under state or federal law (e.g. FMLA). Certified interim administrators may apply for employment as regular members of the

administrative staff, but are not guaranteed employment under any circumstances. Once employed as a regular member of the administrative staff, all benefits under this agreement shall apply.

6. In any other situation in which a member serves in a position for less than a full school year, the salary and fringe benefits for such member shall be prorated in accordance with the principles set forth in the preceding paragraph.

ARTICLE XVII

VACANCIES AND TRANSFERS

1. The term "transfer" means a reassignment to another position within the BAPS unit, or assignment to the same position in a different school.
2. Requests for transfer shall be processed in accordance with the following procedure:
 - A. Any administrator desiring a change in assignment for the next school year shall file a written request with particulars with the Deputy Superintendent no later than May 15.
 - B. This request will be discussed by the Deputy Superintendent and the administrator within the next seven days and if the administrator at that point wishes to have the request forwarded, the Deputy Superintendent will forward the request to the Superintendent within ten days after such discussion, and in no event later than June 1, with a copy given to the administrator. The Superintendent is not required to consider such request unless it is submitted to and forwarded by the Deputy Superintendent.
 - C. Administrators whose request for transfer are not granted shall automatically be considered for appropriate vacancies which may arise during the next school year.
 - D. Nothing in this Section precludes an administrator from initiating such a request for transfer consideration even before known vacancies are determined and posted. However, a list of known administrator vacancies shall be made available to the Union and posted in several buildings on or about March 1.
 - E. Dispositions of all requests for transfer shall be made known in writing to the requesting administrator within ten (10) days after the decision has been reached.

3. Involuntary transfers shall be processed in accordance with the following procedures:
 - A. Involuntary transfers may only be based on a decision by the Superintendent and/or the Board. When an involuntary transfer is being considered, the affected administrator shall be notified in writing and given an opportunity for consultation with the Superintendent prior to a final decision. Within thirty (30) school days following this consultation, the administrator shall be notified of the decision, with reason.
 - B. The Superintendent and/or the Board reserve the right to make transfers, voluntary or involuntary. All voluntary and involuntary transfers shall be made by the Superintendent or his/her designee to best serve the interests of the educational program. The Board and/or the Superintendent reserve the right to assign administrators to positions outside the bargaining unit, provided just cause is shown. Whenever possible, affected individuals shall be given advance notice of assignments and transfers. No such transfer will be made without first discussing it with the affected administrator.
4. In the event of an involuntary transfer, the following review procedures shall apply.
 - A. The affected administrator may request a hearing before the Board, with Association representation if desired.
 - B. Such request shall be made within seven (7) calendar days of receipt of notice of the transfer decision, and such hearing shall be held within ten (10) calendar days of receipt of the request.
 - C. The Board shall make a decision and notify the administrator in writing of such decision within seven (7) calendar days following such hearing.
 - D. The above time limits may be extended by mutual agreement.
 - E. The application of the procedural requirements set forth in this Article, but not the educational rationale for the transfer decision, shall be subject to the grievance procedure, including Level Four. A claim that the transfer decision was not based on educational considerations shall be subject to the grievance procedure including Level Four, with the burden of proof on the claimant to establish the basis for the decision by clear and convincing proof. The parties agree that the impacted administrator shall be allowed to remain in his/her current position during the pendency of the proceedings set forth above.

F. In the event of an involuntary transfer to a position with a lower salary rate, the affected administrator's salary will be frozen until the salary for the new position exceeds the frozen salary rate. This provision shall not apply to a demotion for disciplinary reasons under Article XX.

5. Any member of BAPS who applies for a vacancy within the timelines specified in Article XVI:2.A shall be granted an initial interview provided they hold the appropriate certification for the position.

ARTICLE XVIII

PERSONNEL FILES

1. Only those personnel who have an official right and reason for doing so may inspect an employee's file. When a member's file is inspected by such a person, he shall indicate that he has examined the same by signing a log maintained by the supervisor of personnel files who shall be responsible for retaining such records. The Director of Human Resources need not note each time he consults a member's file. It is understood that some portions of the member's file are desirably kept in different places but all parts of the file, their location, and their existence, are to be available to the member.
2. Upon request of a member he shall be given access to his file. At least twenty-four (24) hours' notice will be appreciated by letter, telephone call, or signing a form.
3. A member shall have the right to answer any material filed.
4. Upon request, a member shall be furnished a reproduction of any material in his file concerning evaluation of his performance in the Bristol School district as set forth in State law. Cost of reproduction will be borne by the member.
5. From the effective date of this contract, any written reprimand which is to be placed in a member's personnel file shall contain a statement to that effect.
6. No anonymous material shall be placed in a member's personnel file.
7. Supervisors shall be encouraged to place in a member's file information of a positive nature indicating special competencies, achievements, performances or contributions of an academic, professional or civic nature.

ARTICLE XIX

REDUCTION IN FORCE

1. The Board has and will retain the right to determine the number and distribution of administrative positions in the Bristol Public School System. If the Board determines it is necessary to reduce the number or change the distribution of administrative positions in the system, the following procedure shall be followed:
 - A. The Board shall first attempt to reduce, or eliminate the need for reduction in force through attrition and by transferring members of the bargaining unit as necessary provided that such members are certified for and qualified to assume such positions in the opinion of the Board of Education. The Board shall guarantee any displaced administrator a certificated position in the school system at the maximum allowable step.
 - B. The Board may in its discretion offer early retirement incentives for individual members of the BAPS unit, after consultation with BAPS, with the understanding that no offer of any such incentive to any member of BAPS shall constitute a binding precedent for any future case.
 - C. In the event of a reduction in force, the Board shall have the right to identify position(s) to be eliminated. The primary criterion to be used in selecting the employee to be affected by the reduction in force shall be seniority within the Bristol school system in the affected level as set forth below. The affected employee shall have the right to bump the least senior person at the next lower level(s) in which he/she has seniority, assuming he/she has the requisite certification. Under no circumstances, shall a layoff result in a promotion or an increased salary level. For purposes of this section, seniority within the Bristol School System shall be defined as the number of years in the BAPS unit.

For purposes of this Article, the following shall be deemed separate levels:

- Level 1: High School Principal
- Level 2: Middle School Principal and K-8 Principal
- Level 3: Elementary Principal
- Level 4: Supervisor, High School Assistant Principal, Middle School Assistant Principal, Supervisor PE and Athletics, Special Education Supervisor

- D. The Board shall place in teaching positions employees displaced from the BAPS unit, provided such placement is consistent with the decision of the State Board of Labor Relations in Case No. TDR 7161.
- E. Employees displaced from the BAPS unit shall be placed upon a reappointment list and remain on such list for two years provided such administrator does not refuse a reappointment. No new employee shall be hired to fill a position for which an employee on the reappointment list is qualified. Qualification means not only possessing the necessary certification for a position, but also that the person has demonstrated either through past successful experience, course work or training, or a combination of both, that he/she has the skills necessary to carry out the responsibilities of the position, for any position of principal or above.

ARTICLE XX

DISCIPLINARY PROCEDURES

1. The Superintendent has the sole authority to initiate disciplinary action against members of the BAPS unit. Such discipline must be for just cause and must be imposed reasonably promptly following the Superintendent's awareness of the event or condition on which it is based. The principle of progressive discipline shall apply to repeated offenses or continuing conditions, provided that previous occurrences are reasonably related both in time and nature of offense.
2. In cases where a member has been reduced in rank or compensation for disciplinary reasons, the member may, within ten (10) days after notice of the Superintendent's action, file a written request for a hearing before the Board. Such hearing shall be held in executive session fourteen (14) days after the request has been filed unless an earlier date has been mutually agreed upon. A decision shall be rendered by the Board of Education not later than fourteen (14) days following the date of hearing. Such decision shall be in writing if requested by BAPS or the affected member of the BAPS unit.
3. The member shall also be entitled to representation by BAPS, and if he does not avail himself of this option a representative of BAPS has the right to be present and state the position of the unit.
4. The decision of the Board may be subject to arbitration pursuant to Article V, Level Four.
5. In any disciplinary proceeding, all parties agree to maintain strict confidentiality and to make no statements to the public, the press or other unauthorized

personnel except by mutual agreement. This paragraph shall also apply to any decision issued by the Board of Education pursuant to paragraph 2.

6. Nothing herein shall be construed to apply in cases of termination of employment, which shall be governed by Section 10-151 of the Connecticut General Statutes.

ARTICLE XXI

CONFORMITY TO LAW AND SAVING CLAUSE

1. In the event that any provision of this agreement shall at any time hereafter be determined to be contrary to law by a court of competent jurisdiction, then, in such event, the provision held contrary to law shall not be applicable, performed by either party, or enforced by either party, except to the extent permitted by law.
2. In the event that any provision of this agreement shall at any time hereafter be determined to be contrary to law by a court of competent jurisdiction, said decision shall in no way affect all of the other provisions of this agreement, and despite the fact that one or more provisions shall be declared contrary to law, all of the other provisions of this agreement not so affected, shall continue in full force and effect.

ARTICLE XXII

DURATION AND RENEWAL

1. The Board and the Association agree that all points covered herein constitute the full and complete agreement between them. Neither party shall be required to negotiate during the term of this agreement on any issue, whether or not it has been negotiated or could have been negotiated in the past. No member of the Association or authorized representative, agent or employee of the Board may enter into any separate agreement or understanding which shall be inconsistent or contrary to the terms of this agreement. Any such separate agreement will not be binding upon the parties hereto, unless mutually agreed upon and expressly adopted in writing.
2. The provisions of this agreement shall be effective as of July 1, 2020, and shall continue and remain in full force and effect to and including June 30, 2023.
3. If no successor agreement to this contract has been reached by the termination date of this contract, the provisions of this contract shall continue to be in full force and effect, until such time as an agreement to a new contract is reached.

The Association agrees that during the term of this agreement, or any extension thereof pursuant to the preceding sentence, it will not authorize, instigate, sanction or condone any strike, work stoppage, or concerted refusal to render services. Any employee who engages in such action shall be subject to disciplinary action, up to and including discharge.

IN WITNESS THEREOF, the parties hereto have affixed their signatures this 4th day of December, 2019.

Dear Mr. Gaudet:

In conjunction with the negotiation of the 2011-2014 collective bargaining agreement between the Board and BAPS, and in connection with the planned opening of two K-8 schools, the Board commits to the following:

2. If a member of the BAPS bargaining unit is involuntarily transferred to a position with a lower salary rate, then notwithstanding Article XVII, 4.F of the contract, the affected administrator will progress at the salary rate of the previous position for two contract years, after which the administrator's salary shall be frozen until the salary for the new position exceeds the frozen salary rate.

Very truly yours,
