Dear Bristol Public Schools Parents, Guardians, and Staff:

To clarify the district notification that was sent earlier today regarding a member of the school community having tested positive for coronavirus (COVID-19). The individual has been instructed to remain home and to quarantine for 14 days.

This incident required **bus cohorts at three schools - Bristol Eastern, West Bristol, and Stafford schools to be quarantined**. Anyone who was considered a “close contact” with the individual was contacted by the school or local health officials and provided with instructions on the appropriate steps to take.

If you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads "Catherine M. Carbone". The signature is fluid and cursive.

Catherine M. Carbone, Ed.D.  
Superintendent
